## August 2020

St. Mark's Lutheran Church

A member of the Evangelical Lutheran Church in America

*"Then the LORD answered Job out of the whirlwind: <sup>2</sup> "Who is this that darkens counsel by words without knowledge? <sup>3</sup> Gird up your loins like a man, I will question you, and you shall declare to me. <sup>4</sup> "Where were you when I laid the foundation of the earth? Tell me, if you have understanding." (Job 38:1-4)*

The book of Job deals with the thorny question of whether God is just, in light of all the suffering in the world.

In the story, Job had lost everything: his material possessions, his home and family, and his own physical well-being. Still, Job refuses to believe he has done anything to deserve such heartbreak, although his friends try to convince him otherwise. Throughout the story, Job concedes that God is the source of every good and every calamity, and although Job claims God as his Redeemer, he begins to question if God is just.

Chapters 38 and 39 of Job, from which the reading above is taken, are some of my favorite verses in the Old Testament. After Job experiences misfortune and suffering, he demands a council with God, and it is in these chapters that God answers Job.

**Among other things, God asks Job, "Have you entered into the springs of the sea, or walked in the recesses of the deep?" (Job 38:16) "Have the gates of death been revealed to you, or have you seen the gates of deep darkness?" (Job 38:17) "Can you bind the chains of the Pleiades, or loose the cords of Orion?" (Job 38:31)**

**Essentially, God shows Job that neither Job, nor anyone else, is in a position to question God's judgement. The world is far too complex, and the depth of God's reasoning is far beyond our power to comprehend.**

One night this past week, I took the opportunity to search the night sky for the comet Neowise. Neowise, which was discovered by astronomers on March 27, is the brightest comet to appear in the northern hemisphere in years. With a little instruction from the internet, I had no trouble finding comet with a set of binoculars.

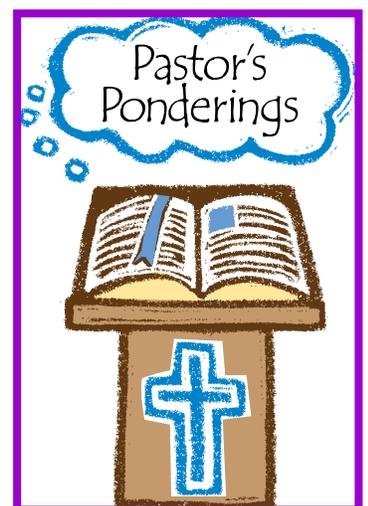

Neowise did not disappoint. Even at 64 million miles away it was quite impressive with its brilliant tail of dust and gases. Still, even more impressive was looking straight up into the heavens and being overwhelmed by the thousands upon thousands of stars and realizing that there are billions more stars that are not visible from our vantage point here on earth.

The truth is, we do have worries and concerns in this lifetime, however, when you begin to question the vastness of God, the sovereignty of God, the understanding of God, or the justice of God, then step outside on a cloudless night and look up into the heavens, and let yourself be overwhelmed by the God who might ask, *where were you when I placed Neowise in the heavens and set it on its path?* It is surprising the different perspective you get when you look heavenward.

By the way, if you missed your opportunity to see Neowise, not to worry, astronomers say it will be back for another appearance in roughly 6,800 years.

God's blessings on your journey,

Pastor Bob

## Parking Lot Worship Service

**Sunday, August 9th at 9:00 A.M.**

### WHAT YOU NEED TO KNOW:

You are asked to stay in your vehicle at all times. Church restrooms will NOT be available. (Must be in a vehicle. Setting up of lawn chairs will not be an option.) Pastor and worship assistants will be outside with volume transmitted through your car radio (station number will be posted on a sign when entering the lot & in your bulletin on the morning of the service). Follow directions of the parking lot ushers. A safe distribution of communion and an offertory will be a part of the worship.

### Returning to In-Person Worship Task Force: Report from the July 2, 2020 Meeting

- We opened with prayer.
- The task force discussed safety precautions for the scheduled parking lot worship services. Those precautions included spacing of vehicles in the lot, how bulletins and communion would be distributed, the necessity for those attending to remain in their vehicles, and who should wear masks and gloves.
- **We reviewed and discussed items presented on the ECSW's COVID-19 webinar.**
- Task force members were asked to continue to gather ideas from family and friends regarding safety procedures on how churches that have opened for in-person worship are proceeding.
- **Bruce Grundman and Ginny Schieck volunteered to meet and take measurements of St. Mark's sanctuary to determine how many worshipers could safely attend while socially distanced.** They will report their findings at the next meeting.
- We closed with prayer.
- Our next meeting will be scheduled for early August.

## Food Pantry Update ~ Karen Jordan

St. Mark's Food Pantry has been doing very well. We have had a wonderful crew working to help our neighbors and friends get their supplies. We are "social distancing" and wearing masks. We have a few who come weekly, some once a month and we have a few new families most weeks. We've been having about 15 families gathering provisions for 40 to 45 people. During the second quarter of 2020 we provided food for 406 people, trying to help them stretch their food budgets. We always need paper products, juice, pasta meals, spam, tuna, mac and cheese and soaps---bath, dish and laundry. Thank you very much for all your wonderful donations. It is much-appreciated.

## Office Administrator's Update

It is with a full heart that I type this bittersweet “farewell” to all of my family here at St. Mark’s. From day one, I have truly felt that the Lord brought me to this church for these blessed two years of employment. It has been an honor and a privilege working here, and though I am sad to say “good-bye,” I leave with warm and fond memories of my time here at St. Mark’s. Though my life has moved me forward to another administrative position in Winneconne, I am thankful for my time here and the privilege of using my gifts to serve this wonderful parish and community here in Neenah.

It is clear that our faithful Father has, once again, provided a wonderful new administrator in bringing us Jean Memken, who will introduce herself below. I am very confident that I am leaving St. Mark’s office in good hands and know you will all extend her the same warmth and encouragement that you extended me when I started.

My last day in the office will be Friday, August 21<sup>st</sup>, but I will be attending St. Mark’s parking lot service with my kiddos on Sunday, August 9<sup>th</sup> in my gray Chevy Impala. So if you’re there and you’d like to wave or honk a “hello” to us, I would love to see you all and send love and warmth from my car to each of you!

Fondly,  
Olivia Boice

## Welcome to St. Mark’s, Jean Memken!

Hello! My name is Jean Memken and I am the new church administrator here at St. Mark’s. I recently moved to Neenah from Maryville, Missouri, along with my husband, Michael Rogers, who has taken a position as a professor of Computer Science at the University of Wisconsin - Oshkosh.

For most of my career, I have been a professor of housing and environmental design, teaching at the University of Nebraska, Illinois State University and Northwest Missouri State University. However, seven years ago, I became the office manager at my church, Hope Lutheran, in Maryville. I thoroughly enjoyed working for our Lord and the congregation at Hope. When my husband accepted the position in Oshkosh, I prayed that God would lead me to where He would have me serve Him here in Wisconsin. I was excited to see the job opening at St Mark’s, and I am now thrilled to be a part of your ministry here.

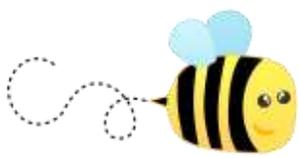

Michael and I have three children. Our oldest, Benjamin, is a professor of political science at Norfolk State University in Virginia. His wife, Yeonjoo, recently finished her Ph.D in political science and is now job searching. Our daughter Sarah is a chef apprentice in Kansas City and is currently employed in the kitchen at an assisted living complex. Our youngest, Jonathan, is a graduate student and teaching assistant in computer engineering at the University of Kansas.

In my spare time, I enjoy sewing, knitting, reading, gardening and traveling. I am fond of art, especially folk art, and I’m eager to explore Wisconsin to see what art treasures I might find.

Thank you for this opportunity to serve at St. Mark’s. I look forward to meeting you via phone, e-mail and social media now, and in person (without masks!) when we can gather again for worship.

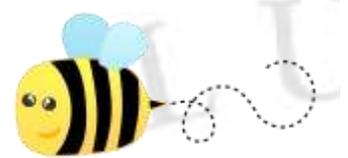

~ Jean Memken
