## September 2021

St. Mark's Lutheran Church

A member of the Evangelical Lutheran Church in America

*"For I am the LORD your God who takes hold of your right hand and says to you, Do not fear; I will help you."* (Isaiah 41:13)

Dear Friends in Christ,

As you know, St. Mark's COVID Task Force recently made the decision to require masking once again during our Sunday morning worship services. On the one hand, this was a difficult decision to make as we are all tired of masking and physically distancing, and none of us want to go back to more restrictions. Still, when we looked at this objectively and simply looked at the data and the advice of local health officials, there was no other clear alternative.

The list of reasons that warranted this decision are many and I won't attempt to share them in this forum. However, it was not just data and professional medical advice that drove our conversations, and swayed our decision, but also several personal reports of people (both vaccinated and unvaccinated) who have been bedridden or hospitalized with the Delta Variant. Ultimately, our main concern is keeping our members safe and not contributing to the growing problem in our community.

During any difficult time, one of the most challenging things for a Christian to comprehend is how God is at work within the chaos. This can be true for personal disappointments, community tragedies, and yes, even during this time of a worldwide pandemic.

The Bible verse above comes from what biblical scholars call Second Isaiah. Beginning in chapter 40 of Isaiah, a new prophet (Second Isaiah) brings words of comfort to a nation living in exile in Babylon. The prophet assures the people that God will set the captives free and return them to their land. In 538 B.C.E., the Persian ruler Cyrus captured Babylon and allowed the exiles to return home to rebuild their lives and their temple in Jerusalem.

In chapter 45 of Isaiah, God says, *"I have aroused Cyrus in righteousness, and I will make all his paths straight; he shall build my city and set my exiles free..."* (Isaiah 45:13)

God uses actual people to serve God's intentions. In this case, God used the foreign ruler Cyrus, the king of Persia, to set God's chosen people free and to bring them home once more.

## Pastor's Ponderings

(Continued from page 1)

It is still the same today. God uses men and women to serve God's purposes. I believe this is true with the fight against the COVID virus. God has used scientists to develop a credible vaccine that has saved countless lives. God has used doctors and nurses to administer the vaccine and to care for patients who have become hospitalized. God uses friends and neighbors to bring people to vaccination clinics, to care for those who are homebound, and to encourage those who are discouraged.

Let's us continue to do our part to be a positive influence in the community during this difficult time. And when you see someone in need who is discouraged, may you be moved to say, "Do not fear; I will help you." After all you never know when you may be serving God's good purpose.

Servants together,  
Pastor Bob

## MOSES MESSAGE

*A Sunday School Update*

Hi everyone!! Summer is coming to an end really fast. School will be starting soon and everyone will be busy with school. We have been doing a lot of thinking about Sunday School starting and have decided NOT TO START until October 3rd. Also, we have changed the starting time for Sunday School to 9:00 am until 9:45 am. We have decided that with a shorter time for Sunday School, it will be easier for kids to get there. Also, a lot easier to plan lessons. Maybe more kids and parents will stay for church. But, please remember that since Covid-19 is increasing, things can change. We might not be starting in October, so please watch for any information about Sunday School starting. We are being very careful with Covid-19 spreading so fast. We want everyone to stay safe and healthy.

### BIRTHDAYS

Happy Birthday, Leland!!

With God's Blessings,

## Lay School of Ministry: Synod Offers Classes to Equip Lay Ministers

**Lay School. It's a funny name. But the term "lay" stands for Laity from the Greek word for "people."** Not everyone is called to pastoral leadership. But pastoral leadership is not the only kind of leadership that exists in the church. Through the baptized, the Holy Spirit is at work feeding, healing, teaching, **restoring, and loving. That's what Christ's mission is all about.**

The Holy Spirit equips and calls people to lead church councils, bible studies, Sunday School, and youth meetings. Some are called to serve on teams that plan for new pastors, engaging people in worship, sharing the mission of Jesus in community. Maybe God is calling you to deepen your sense of what faith **is all about. If that's the case, lay school is for you.**

Lay School is either a two-year program with **"Core Classes"** that take you through the basics. OR, you can just learn one class at a time.

Fantastic classes are available to you and there is scholarship assistance ready if you are in need. Topics include: recent Christian history, deep dives in Old Testament texts, how we engage the Bible, putting words to our faith through the practice of theology, and taking time to consider what on earth is happening to and through the church these days. No matter your interest, lay school has got you covered. Instructors include faculty from our seminaries, church leaders like our Bishop, Rev. Anne Edison Albright, and ELCA pastors.

The first classes are September 17th and 18th, so if you are interested, you need to register soon. Classes are Friday evenings and Saturday mornings (with meals included) at the Synod office in Appleton. You can also meet virtually through Google Meet. If you are interested, but have questions, talk to Pastor Bob or email [ecswlayschool@gmail.com](mailto:ecswlayschool@gmail.com) if you would like to have a conversation with someone about the lay school.

Registration forms can be found online at [www.ecswlayschool.org](http://www.ecswlayschool.org), or ask Jean in the church office to print the forms for you.

The Mission of the Month for September is the Pine Ridge Reconciliation Center which is part of the Lutheran Lakota Shared Ministries. They focus on four different ministry outreach areas.

The Threshold/Common Basket ministries includes everything that is distributed out their door including new quilts and blankets, diapers and wipes, morning coffee, mid-day sandwiches, hot meals, and hygiene kits. In the winter months, it also includes our energy assistance matching program.

Cultural immersions are visiting groups who come to learn about Lakota history and culture from the Lakota people. We strive to provide programming and presentations that foster mutual conversations and greater understanding of each other. While Immersions are on hold because of COVID, they are updating the center to be ready for guests to return.

The Lutheran/Lakota Job Corp employs local people from the community of Pine Ridge to run and assist the ministries of the Reconciliation Center. This ministry provides people with a way to earn a living and support their families. They have added a mentoring element to the program for young adults.

Children and Youth— Currently, the Pine Ridge Reconciliation Center hosts Kids Time on weekdays after school offering a safe place to come and play and build relationships with the Kids Time staff. Early in 2019, Pre-Teen Time was also added for 9-12 year olds to come, share a meal, and participate in age appropriate activities, field trips, and cultural learning. We recently added a Teen Time to continue to walk with the youth into adulthood.

Please consider support this worthwhile agency this month. Include your donation in your offering envelope and mark **“Mission of the Month”** on the front of your envelope.

*Labor Day brings to mind picnics, cookouts and family gatherings. Falling on the first Monday in September, it marks the unofficial end of summer and the beginning of a new school year. But the holiday was created in 1882 to honor the social and economic contributions of American workers. In a strong economy, it's easy to take for granted the ability to work and be paid well. But times have changed during the past few years, with many people still struggling with unemployment. During our holiday celebrations this year, let's give thanks for the jobs we have, pray for those who aren't as fortunate, and offer words of encouragement or help to someone who needs it.*

Thanks to everyone who donates so faithfully to the Food Pantry. We have done a steady business all summer. In July, we had 43 families getting food to feed 159 people. We try to help them provide for their families and as we get information about services that may help them, we try to inform them. We are always in need of paper products, laundry and dish soap, sugar, and peanut butter and jam. We also can use many often used pantry items that we use in our kitchens every day. We do thank you for your help.

The Social Ministry Committee will meet on Monday, September 13, in the library.

The Linwood Place Summer Concert Series has just one more concert this summer. On September 19th, a bluegrass band called Prince of Peace Spirit will be on stage. The concert is at 2:00 pm on the Linwood Place lawn. Bring a lawn chair. There will be a free-will donation and 50/50 drawing. **St. Mark's is a co-sponsor of this concert.**

# VBS — A Rocky Railway that was Fun for All

By Jenny Case

Gloria Dei, St. Mark's, St. Paul and Our Savior's Lutheran Churches in Neenah combined to hold Vacation Bible School on August 1-5, 2021. Gloria Dei was the host church.

Jenny and Mykayla

Jenny and Mary Jane

**The Theme was “Rocky Railway, Jesus’ Power Pulls Us Through.”**

Due to Covid, masks were worn by the children and adults.

The kids received a ticket on the first night, which they wrote their name on. They had to pick up their ticket when they checked in every night.

Around 38 kids attended and there were around 25 teenage and adult helpers. Pastor Bob, Jenny Case, Mary Jane Hartley, and Mykayla Tharp **were the helpers from St. Mark's.**

**The kids learned that Jesus’ Power Pulls You Through Life. They had fun singing songs with actions, learning about trusting in Jesus, and laughing.**

The kids “high-5” one of the leaders.

I assisted with games outdoors and it was great to see the kids and their crew leaders having so much fun playing the games together.

A big thank you goes out to all the churches who participated in **this summer’s VBS! Thank you to all who helped out! And thank you to Gloria Dei for being the host church!**

Mykayla leads one of the outdoor activities.

## A Volunteer’s Story

By Mykayla Tharp

I was given the amazing opportunity to volunteer as a youth leader at Gloria Dei’s “Rocky Railroad” Vacation Bible School. **We started every evening as one big group, singing joyful praises to the Lord, and finding out the message we would be focusing on that day. Carrying that message around, the kids watched real-life stories from kids around the world, enjoyed a snack, recreated a story from the Bible, created a craft to remind us of God’s message, and enjoyed some outdoor games. All children then came back together, danced, and sang songs such as “This Train is Bound for Glory.” By the excitement in the kid’s eyes, you could see their love for Jesus and all the people that were teaching them about him. I was very happy I could be a part of this experience, not only to watch kids learn about Jesus but also be reminded of Jesus’s love for me as well. And just as all the kids would chant... “Trust Jesus!”**

Answers to prayers come in various ways, sometimes in minutes, sometimes in days. And some take years to fully unfold the harvest of love and blessings they hold.

Answers to prayers come in various forms, sometimes in sunlight, sometimes through storms. Some blossom early, and some blossom late, but each one will flower — have faith and wait!
